

That Certain Something!

Everywhere a good feeling with the SOS emergency button of the S40. In case of emergency you will get help as soon as possible. Once pressed the SOS button on the back side, the S40 will automatically send an emergency SMS.

At the same time the emergency call begins at 5 advance memory stored numbers of friends or relatives.

With the S40, you can not only make calls via Bluetooth or listen to the radio, equipped with a camera for snapshots, offers the comfort S40 device even more high-quality comfort features. In classic black, the S40, lies, because of the rubberized surface, perfectly in the hand.
